

## AMERICAN WAR IN TALK STAGE

After 39 Days Congress Still Debates Most Important Measures in Conflict.

### NEEDS OF ALLIES ARE KNOWN

(By Associated Press Local Wire.) Washington, May 14.—The United States has been at war with Germany 39 days and practically all the measure that which this government is to do its part in the world's battle for humanity and civilization still are in the talking stage in congress.

The actual accomplishments since President Wilson convened the special war session April 2 have been passage of the resolution declaring a state of war with Germany and enactment of the seven billion dollar loan law.

Those who predicted congress would provide the nation with the means for making war successfully and adjourn by June now have extended their estimates to the middle of August.

Pressed for speed by the administration on one side, and on the other by constituents at home demanding action, congress faces many big things to do and quickly, if the aid of the United States in the world war is to be of its full value.

**Need of Allies Known.**

The immediate pressing need of the aid the United States can give the allies in the war on Germany is best known to the president and his closest advisers who have heard it from the heads of the French and British missions. Those to whom it has been communicated have been impressed with the necessity of more accomplishments.

As congress today went into its thirty-seventh working day the war program stood this way:

**War tax bill:** Under debate in the house, and up for public hearings in the senate finance committee. At the present rate of progress, it probably will be up before one house or the other for at least a month.

**Army bill:** In conference again to turn over the action of the house in referring the so-called Roosevelt amendment. It provides the army the allies need in France.

**Food Control.**

Food control bills: Debated one day in the house; an entirely different form of bill has been introduced in the senate.

**Shipping bills:** The bill to vest legal title to the seized German ships in the government has passed both houses but is in conference for reconsideration of differences; the bill to appropriate \$400,000,000 for a start on the great merchant fleet to overcome the submarine menace has not yet been introduced and may not be.

be, while plans are being discussed of paying for the ships out of the \$7,000,000,000 loan. The bill to authorize the taking over of ship building facilities and ship building for foreign account has been introduced but is not yet under consideration.

**Embargo bill:** The house in passing the bill retained the severest censorship provision demanded by the administration but did not enact an embargo section, which the administration wants to keep supplies from going to Germany through neutrals.

The senate still has its bill under debate, retaining such an embargo section, but without a censorship provision. The real enactment of this bill probably will be in conference where the administration will bring pressure to have both censorship and embargo sections inserted in acceptable terms.

**Prohibition.**

Prohibition: As an amendment to the espionage bill the senate has attached a section prohibiting the manufacture of intoxicating liquors from food grains. Various prohibition proposals are pending in the house.

**Federal reserve law amendments:** These additions to the existing bank law were prepared by the administration to bring more banks into the federal reserve system and by liberalizing the reserve requirements increase the gold holdings of the system more than \$300,000,000.

### BURLINGTON RECEIVING MANY NEW LOCOMOTIVES

The freight and passenger engines which have been under course of construction for the Burlington railroad in an eastern locomotive works all winter, are now beginning to be turned over to the Burlington and will be put into service soon. It is said by a railroad man who has visited the locomotive works several times during the winter.

Fifty-five large engines are being turned out on the order, most of these being freight engines of a large type, only a few being made for passenger service. A number of the engines have been shipped and several more that have been shipped are lost somewhere on the way, the railroad man said yesterday.

It is said that as soon as the present run in freight traffic lets up a little and all the new engines are put to use the RR-1 and RR-2 types of freight engines will be overhauled and put into service as switch engines.

The AA-2, small passenger engines that the company has with at some later date be distributed over the system and will haul trains on all short branches where only three or four cars are used to each train. It is also said that in the future these small engines may be made in the local shops of the Burlington.

## AUSTRALIA PLANS CUT IN GERMAN TRADE

Decide to Restrict Business With Enemy Countries for Period of Years After War.

Favorable Treatment With Neutral Nations and Allies Is Also Decided Upon.

(By Associated Press Local Wire.) Adelaide, Australia, May 14.—Australian commercial houses and business men have declared themselves, thru their chambers of commerce to be in accord with those of other parts of the British empire in planning to prohibit or restrict trade with enemy countries for a term of years after the war. They also approve the plans adopted in London and Paris conferences on after-war business conditions to give permanent preference to trading between the different parts of the empire and with allied countries, as against enemy countries. Favorable treatment to neutral nations in this respect also is approved.

Proposals along these lines were recommended by the London chamber of commerce and have been adopted by the associated chamber of commerce of Australia.

It is intended to accomplish most of these results affecting business after the war by revision of the tariff and of the shipping and naturalization laws. Among the after-war steps approved by the Australian chambers of commerce were:

Restriction of enemy traders within the empire.

Facilitation of enemy shipping.

Retention of all German ships now in possession of the British empire.

Replacement by the Teutonic allies of all ships sunk by them.

Encouragement within the empire of industries necessary to the public safety.

Prevention of the control by enemy countries of raw materials and resources of the British empire.

State co-operation in promoting trade banks to aid in exporting products of the empire.

A committee of the associated chambers of commerce was directed to formulate further economic methods to recuperate the wealth of the British empire depleted by the war.

**Mexico Art Held.**

(By Associated Press Local Wire.) Mexico City, May 14.—The taking from the country without government authorization of objects of art or archeological interest which have been in the churches has been strictly prohibited on the ground that such objects are the property of the nation. Copies or duplicates must be approved before they can be exported.

Three carloads of alleged antiquities and objects of art recently shipped from here to the United States have been stopped at Laredo under the new ruling. The shipment will be examined by an agent of the director of arts.

## PUBLISHERS PROTEST SECOND CLASS INCREASE

(By Associated Press Local Wire.) Washington, May 14.—Newspaper publishers were here today to protest to the senate finance committee against the increase in second class mail rates by application of the parcel post zone system, proposed by the \$1,600,000,000 war tax bill.

The committee also considered the measures providing for stamp and estate and inheritance taxes, to which there were many objections. The house resumed debate on the bill, and leaders hoped for its passage early in the week.

A statement prepared by a committee of the American Newspaper Publishers' association headed by Don C. Seitz, of the New York World, said the proposed postal increase was a "cold blooded proposition to close the mails to newspapers and would result in so much loss in circulation, especially from farmers, that postal income would decrease and the rural carrier system would entail an even greater loss than at present.

The proposed increase, the statement said, "is not a war tax but an effort to further repress and embarrass the newspaper industry. The rate proposed is an increase of from 100 to 600 per cent, an increase beyond precedent.

(By Associated Press Local Wire.) Washington, May 14.—The program for the remainder of the interstate commerce commission's hearings on the proposed 15 per cent freight rate increase, announced today, shows that approximately three weeks will be given over chiefly to shippers, state railroad commissions and public service bodies.

## CHICAGO IS WARNED OF TWENTY-CENT LOAF

(By Associated Press Local Wire.) Chicago, May 14.—With the 15-cent loaf already on the market, Chicago today faced a possible further increase in bread prices. Charles A. Trench, president of the Illinois Master Bakers' association, said that this organization had decided that even 20 cents is not too much to charge for a loaf under present circumstances and that because of the saving in wrapping labor such a loaf can be made which will weigh 21-1/2 as much as a 10-cent loaf and yet leave the same profit. He advocated a 15-cent loaf as the minimum size.

## MOTHER EULOGIES HEARD IN PULPITS

Churches and Public in General  
Observe Mother Day in  
Services Sunday.

Every Carriage in City Sold Out at  
Early Hour—Tributes  
Are Eloquent.

In keeping with the national Mother's day observance yesterday, all of the Aurora churches gave special exercises, the pastors preaching sermons with glowing tributes to mothers. Some of the churches set the day aside as a "parent day," honoring both fathers and mothers.

So great was the demand for carnations, the emblem of Mother's day that early in the day the florists were entirely sold out. Many substituted the favorite flower of mother, the bright flower being worn in honor of a living mother and a white flower for a departed mother.

The Rev. E. T. Stephens of the Church Street Baptist church spoke yesterday on the subject, "The Teaching of Thy Mother," using as his text "Forbear not the law of thy mother." "First in the devotion to duty," "second in the teaching to be dutiful," he said. "Second, in their splendid example of self-sacrifice, our mothers teach us to be unselfish. Third, in our mothers' intimate friendship, we find our surest safeguard."

## EAST SCHOOL BOARD ORGANIZES TONIGHT

The regular meeting of the board of education of the east side schools will be held this evening. At this meeting the petition of the teachers, in which they ask for a raise in pay, will be taken up by the board. A petition signed by about 700 citizens in the northeast part of the city, asking for a new school, may receive attention of the board at this meeting also. Although it was not stated in the petition where the new school should be built, it is taken for granted that it is wanted where the Brady school now stands and would require tearing down that school and building a larger one to accommodate the pupils. It is estimated that a school would cost from \$65,000 to \$75,000. Estimates were asked of a local contractor some time ago on the cost of remodeling and building an addition to the Brady school and his figures were \$35,000.

## AURORANS ATTEND QUINCY T. P. A. MEETING

Five Aurora men, Jacob Marx, John Dooling, J. E. Seifberg, Jacob Ebner and Albert Solisburg, attended the state meeting of the Travelers Protective association at Quincy, representing the Aurora post.

They left Aurora Thursday morning in the Marx automobile and drove to Rock Island. The next day they crossed the Mississippi at Davenport and drove down the west bank of the river to Quincy stopping at the big dam at Keokuk.

At the close of the convention Friday night they started home driving as far as Macomb and yesterday they left there bright and early arriving here last night. In all they have driven 585 miles and had only two stops for tire trouble. The roads were excellent all the way.

The convention was largely attended and the delegates were given fine entertainment. Resolutions were adopted endorsing President Wilson's war policies. John Dooling was elected fifth vice president.

## TRINITY CHURCH NOTES

Those who were confirmed at Trinity church Sunday, May 6, received their first communion yesterday morning at 7:30 o'clock.

Dr. Dixon's Bible class will meet this evening at 7:30 in the guild room of the parish house.

## CHICAGO-DENVER TRAIN WORK TO "Q"

In Division of Passenger Work  
Among Railroads Burlington  
Will Get Share.

This the Rumor Among Railroad Men  
Here, Altho No Official  
Notice Is Out.

Speculation among local railroad men still continues as to how the passenger business is to be split up among the various railroads between points where a number of the roads operate in competition with each other, and which will be the first affected by the government's orders in reducing the number of passenger trains in the United States by one-third.

A local railroad official said today that he had received, on good authority, information to the effect that the Burlington is to get the business between Chicago and Denver as soon as the pooling of passenger traffic is ordered.

Other Roads' Share. The Chicago & Alton, he says, will probably get the business between Chicago and St. Louis, the Santa Fe between Chicago and Kansas City and the C. M. & St. P. and C. & N. W. will divide the business between Chicago and St. Paul.

Chief Clerk "Charley" Simcoek of the local offices of the Burlington, who has been in the city for some time, has received as yet no information regarding the expected changes in the passenger department and that he could not verify this report. However, railroad employees are looking forward to some definite action being taken in a few days.

Chief Clerk "Charley" Simcoek of the local offices of the Burlington, who has been in the city for some time, has received as yet no information regarding the expected changes in the passenger department and that he could not verify this report. However, railroad employees are looking forward to some definite action being taken in a few days.

## SUNDAY SCHOOL EXPERT IS HERE

The Rev. Garrett Verkuy Ph. D. of Chicago, who has charge of the Sunday school work in the Presbyterian churches of the central states under the auspices of the New York board conducted a Sunday school conference at the First Presbyterian church yesterday, preaching both morning and evening. The Sunday school orchestra played and Lester Fredericks of Chicago sang.

At 4:30 o'clock 30 of the Sunday school workers of the church gathered for a special conference led by the Reverend Verkuy in which various topics were discussed to make the Sunday school work more efficient. At 6 o'clock tea was served in the dining room.

Parent's day was observed also yesterday at the First Presbyterian church and recognition was made of the one hundredth anniversary of the American Sunday school union.

## SANDWICH WOMAN FIGHTS TO SAVE HER PROPERTY

CLAIMS CASHIER OF BANK GOT  
HER INTO DEBT.

Mishandling of an estate by a one-time cashier of a bank in Minnoka, is charged by a bill filed in the circuit court at St. Paul by City Attorney Harry Lewis of Sandwich in behalf of Mrs. Mary B. Hare of Sandwich.

The bill asks that judgment against Mrs. Hare be set aside and an injunction granted against Millie G. Fluett, executrix of the estate of Pamela Knapp and Sheriff James Scott of St. Paul.

Mrs. Hare charges in her bill filed in the court that after the death of her husband she left her accounts, as executor of the estate of her husband, Alfred Hare, with the A. K. Knapp bank of Minnoka to be collected.

The bill further states that George Collops, cashier of the bank, mishandled the property of the estate and of other depositors and disappeared.

"Suits was brought against Mrs. Hare," Attorney Lewis said, "and Mrs. Hare was notified that the suit would not come up at the time designated and that the suit would eventually be stricken from the docket. A judgment by default without due and legal notice was taken against Mrs. Hare, she is charged with a judgment of \$1,300 and an execution has been issued on property she owns at Sandwich. Mrs. Hare claims she owes nothing."

## MANY CORN SUFFERERS MADE HAPPY

New Oil Treatment Brings Relief to  
Thousands.

It is said that New Oil Treatment is making many corn sufferers happy. You don't even have to take off your shoe to get relief. Just pour a few drops of the oil on the shoe over the corn and it goes creeping and crawling down into the corn, and the pain disappears like magic. Then the applications of the oil, on the corn at bedtime, it is said, will dissolve the callous, easily peeling off the corn, thus giving you permanent relief. Call at your drug store for trial bottle of Miller's Antiseptic Oil (known as Snake Oil). Accept no substitute. There is nothing like it.

## AGED FARMER Made Strong and Well by Vinol

This letter proves there is nothing equal to Vinol to create strength for weak, run-down conditions.

Vestel Centre, N. Y.—"I am a farmer 74 years of age and got into a weak run-down condition as a result of the Grippe. Our druggist suggested Vinol to build me up and I noticed an improvement soon after taking it, and it has restored my strength so I can now do a good day's work. My wife has also taken Vinol for run-down condition with splendid results."

## YOUR CAR—MY CAR

How Men Feel Who Own a  
HUDSON SUPER-SIX

Some 33,000 men are driving a Hudson Super-Six. Ask any one how it compares with any other car. You will find the feeling about as we find it. And as we express in this ad.

"I have a — Six," says one man, "with a motor the same size as yours."

But what about motor efficiency? Hudsons have long been Sixes. But the Super-Six invention added 80 per cent to the power and efficiency without adding a mite to the size.

A Six with the old limitations is a long, long way from the Super-Six, remember.

But the present Hudson owner knows this: The Super-Six, in all sorts of tests, has outperformed other types. It has won in speed, in endurance, in hill-climbing and quick acceleration. It holds all stock car records worth while.

Hudson also built Eights and Twelves before the Super-Six invention. Those types, no doubt, would have displaced Sixes, had the Super-Six not appeared.

We, with others, had turned to other types because of the unsatisfying limitations of the Six. Then we invented the Super-Six and found it gave all that was sought for by those who had developed the multi-cylinder cars.

## How Much Friction?

The question is not between Sixes, Eights and Twelves. It is, What type best minimizes friction? For that is what all aim at.

Friction wastes motor power. It limits motor speed. It causes wear, prohibits endurance.

It was by reducing friction almost to nil that the Super-Six gained its supremacy. It is through the endurance which results that it won its amazing records.

GIVES ONE HIT;  
CLOSES GAME 1-0"Shorty" Des Jardien Twirls  
Stellar Ball for Mohawks  
but Is Defeated.

## MITCHELL IS IN GREAT FORM

Paul ("Shorty") Des Jardien, the young giant who made history at Chicago yesterday, hooked up with "Babe" Mitchell, Aurora's stellar curve ball artist at Fox River park yesterday afternoon and lost one of the best pitched games Aurora fans have ever witnessed. He gave the local semi-pro only one hit but was defeated 1 to 0, because a pitcher named Joyce was substituting in right field and dropped a fly ball when two were out and Preuss was perched on second waiting for someone to send him home.

All the glory, however, belongs to the great Mohawk twirler for our own Mr. Mitchell broke the hearts of some 300 Mohawks who followed their pastime out from Chicago expecting to see them do some things to the home club. Mitchell fanned 13 Mohawks and allowed three hits, only one a clean blow. Nagel got a two-base hit because Fredericks misjudged a fly in right field and the sixth round when he got an infield hit in the first session. Preuss's drive against the left field fence was the only clean hit made by the visitors and was counted for a run. Mitchell whiffed Layden for the third out.

Both Twirlers Work Well.

The way the hit popped at the command of the two twirlers is best shown by the hit and run column. Des Jardien's pitcher's battle in every sense of the word. Des Jardien mixed a splitter with a curve ball and a fast one which the locals could not see. Mitchell's hook was never breaking before and the Mohawks were continually swinging late at his fast ball. In the first four innings he fanned nine men, ruling the side by the strategic route in both the second and third innings.

Apart from the battle on the diamond the enthusiasm and good fellowship of the Mohawk club was a big feature. Chicagoans came to Aurora in a spirit of sports over the third rail and brought with them Nova's Cook County Democracy band. Of course they roared loud for their team at the park but that is what they came out for. Their leader, Mr. C. J. Cook, was in the line of duty. When Nova's musicians were not playing the Mohawks put life in the national anthem by their enthusiasm and when they return to Aurora next month stars at the park will be at a premium.

The lone run which gave Aurora victory was scored in the sixth inning. Varnes, first man up, whiffed for the third straight time. Preuss then singled to left and stole second while Anderson was striking out. Conroy then hit, but the ball was going so well the fans were looking forward to a no-hit and no-run game.

The Mohawks threatened to score in the first inning. Hurd hit a fast bouncer to Mitchell, who knocked the ball down but could not field it. Anderson fielded the hit and made a fast throw to first.

Des Jardien and Joyce heated for a moment. Then he came in, grabbed the ball and let it drop. The Mohawks groaned as Preuss trotted over the plate. The Mohawks were ready after the game to take all of the "Joy" out of Joyce.

Up until the time Preuss got his single Des Jardien was invincible. The locals did not get anything that looked like a hit for the first four innings and the Mohawks were going so well the fans were looking forward to a no-hit and no-run game.

KNIGHTS OF COLUMBUS  
LOSE TO TIGERS 10-9

The Tigers defeated the Knights of Columbus team yesterday afternoon by a score of 10 to 9. It was an up-hill fight for the Tigers as the K. of C. gained a seven-run lead in the first two innings. The Tigers rallied in the eighth, with home down Kunda tripled and the home run landed into Reese drove in the tying and winning runs with a drive to left field. Both pitchers were pitched good ball. Feldt, of the locals allowed 13 hits and fanned five while Reese, who was more effective in the pitcher's box, allowed only four hits and fanned six. The strike-out routine and sparkling fielding by Joseph, McKay, Coleman and Weisheit and the hitting of Lemke and Mosca featured. A large crowd witnessed the game.

INDIVIDUAL TOURNEY  
FOR AURORA BOWLERS

A tournament for individual bowlers will be run off at the Strandway alleys Wednesday night. Prizes will be as follows: A count of \$50 will probably set some of the bowlers. Entries may be made up to Wednesday night. It is like there will be a good field to see the pins when the starting bell rings.

From his recent attack of pneumonia he will return to form.

Preuss, Aurora left fielder, last week turned down an offer from Manager Jack Handricks of the Indianapolis club. He was offered \$100 a week and a trip to the Coast League. He did not like his new job and returned to Chicago last week. He has promised to play the remainder of the season with Aurora.

News' Collet, defeated by Aurora one game yesterday, blanked the Logan Square yesterday 4 to 0. Eddie Black, former Cub and considered Chicago's premier hurler, was in the rubber for the Logan Square team. He was not completely recovered.

## HIS TEAM GOES WELL, TOO

Wred Goldman had a field day yesterday in the state bowling tournament at Chicago. Fred got 446 in the singles, went into first place in the all events for bowlers and was crowned champion of his team, the Holmgren Clubbers, topped 2450 pins in three games. The Clubbers' score is high for Aurora teams to date and bids fair to get into the money. Goldman's total for his three games was 1775, a 196 2-3 rating.

But for four errors "Goldie" would have gone into first place in the singles. He made mistakes in this series than in any event in which he shot. He did not get a great string of strikes at any time but kept plugging away all the while, hitting the 1-3 with regularity and getting good counts when he could not get strikes.

People bowlers did most of the rolling in the Illinois Bowling association's tournament at the Randolph drives. Three teams from that city showed well in the tournament. The Chicago team, led by Wred Goldman, was the best. They won 1775 in three games, followed by the Finger Lakes team with 1604. Of the Chicago teams the "Hoopie Mathis" had the best mark with 1554.

The pins continue to put up a stubborn resistance in the singles, and from the way they are falling the present leaders have little to worry about.

Long, the West High school hammer thrower, made his best throw Saturday in the Lake Forest meet getting the 12-pound ball out 143 feet but it landed him only fourth place. The man who won was over 11 years old and was a member of the Aurora academy being trained by Keating.

The Rivals were defeated yesterday at Sandwich by the score of 10 to 4. It was a one-sided affair for the first five innings. Shomer of the Rivals walked 11 times and the Sandwich club held the Rivals to five scattered hits. Only one man reached third base, Assel being the lucky one when he got to first on an infield hit and stole second and third. The Rivals have an open date next Sunday and would like to play some local or out-of-town teams. For games call 1110-J, Chicago phone, or write to William Assel, 455 Superior.

## HEISS IN GOOD TOSS

Herbert Heiss' toss of 116 feet in the Northwestern Indiana meet Saturday was the best 16-pound hammer throw of the day in the West. The Aurora has been steadily improving in its event and looks like a probable point winner in the conference this year.

JOHNNY COULON IN BOUT  
WITH CHAMPION TONIGHT

Chicago, May 14.—Chicago devotees of the fist art are assured of a two-py treat at Racine tonight when an old favorite, Johnny Coulon, essays his comeback in the quest of a championship. It will be the fans' first opportunity to pass judgment on the bald-headed warrior from Logan Square since he really regained some of his old-time boxing skill, and added zest to his appearance by the fact of the fact that he will tangle with the monarch of all the surveys in the realm of the little battlers—Pete Herman of New Orleans. The combat is scheduled to rage 10 rounds.

EXPECT CHARLES LARSEN  
TO SET A NEW RECORD

Philadelphia, May 14.—The remarkable exhibition of high jumping by Charles Larsen of Brigham Young university, Salt Lake City, at the Pennsylvania relay meet, convinced the crowd followers of this particular branch of fist athletics that America is soon to have a new world's record in this event.

After clearing 6 feet 7 1/2 inches in easy fashion, Larsen went out for a new record with the bar set at 6 feet 7 1/2 inches. On his third try he cleared the bar with full inch to spare, but just touched the cross pole with his knees and did not get a great string of strikes at any time but kept plugging away all the while, hitting the 1-3 with regularity and getting good counts when he could not get strikes.

Larsen's jumping form is well high perfect and conforms with the strictest requirements of both the A. A. U. and International regulations. It would not be surprising if on dry fast turf and under proper weather and training conditions the new jumping star were to put the new record at 6 feet 8 or better.

SAYS WAR TAX WILL CLOSE  
MAJOR LEAGUE PARKS

Cincinnati, Ohio, May 14.—A 10 percent tax on baseball would mean the destruction of the game, in the opinion of August Hermann, president of the Cincinnati Nationals, and chairman of the national baseball commission.

"No league enjoys such profits that it could survive a 10 percent impost," Mr. Hermann said. "The various leagues might as well shut their gates immediately if they are to be closed by such a tax."

"Every league, every club owner is ready and willing to make such sacrifices for the nation as he possibly can, but the business of baseball could not well be conducted against a 10 percent tax."

"President Johnson of the American league has already made the announcement that his circuit could not live under such a burden of taxation. It is the same for the whole world of baseball."

"If the major leagues could not keep on, what earthly change would there be for the minors?"

YOUNG JAKE SCHAEFER  
HOPPE'S BIGGEST RIVAL

When Willie Hoppe announced several months since that he would leave the young Jake Schaefer of Chicago under his wing as a member of the Hoppe-Petersen-Wright-Schaefer troupe of exhibition billiardists, it was predicted that some day Hoppe would have Schaefer to reckon with in defending his crown of world's day champion.

Whether Hoppe was aware of the youngsters' skill or not, he dreamed of him ever being a champion, possibly in the future, but the fact remains Schaefer has almost arrived, if he is not already there, as a candidate for titular honors.

It was pointed out that Hoppe learned much of the billiard game from his father, late wizard of the cue, with whom he traveled on exhibition tours, and now it seems history may repeat itself.

## GREEK WINS MARATHON

New York, May 14.—Hanna Koshelmain, the Greek runner, won the seventh marathon race of the season from a field of 160 starters this afternoon. The race was run over a course 12 1/2 miles in length. His time was 1 hour 21 minutes, 11 1/2 seconds, nearly three minutes faster than last year.

## OAK PARK JRS. WIN 6-5

The East Ends lost a hard fought 13-inning game yesterday at the Oak Park Juniors, 6 to 5. Both teams played good ball. Riley was on the mound for the East End and twirled good ball. Fatten of the Oak Park Juniors also pitched well.

## MEETING CALLED OFF.

Chicago, May 14.—Chairman Wiley of the western conference committee has announced there would be no meeting of the football officials with the coaches in June this year, as is customary. The meeting has been postponed until early fall on account of the present condition of big line athletics on account of the war.

BECAUSE HIS  
NAME IS AMOSStrunk of Athletics Rivals  
Amos Rusie, the Hero of  
the Golden Age.

## IS MAINSTAY OF ATHLETICS

Whenever an Amos happens in the big leagues, which he is not by any means often, it is, rather, he is a rattled wonder. The Amos family bats, 1,000, fields 1,000, everything allotted to it, fact, does about everything allotted to it, right up to the handle, and then some.

Until modern times Amos was the only member of the family who appeared and starred in the majors. Ancient fashions still dream of his moundcraft.

Modern bugs, they make no tremendous fuss about it, refuse to see the only other Amos in captivity—one Strunk of the Athletics—play the outfield.

This Amos plays the outfield, or about nine-tenths of it, so well that Connie Mack can afford to carry such a left fielder as Ping Rodie and such a right fielder as Greaser. Both these men, as outfielders, are good hitters. This, in a nutshell, is the tip-off on Amos.

Truly great outfields are few, and the fans can count them on their fingers. There is, of course, the famous Ty Cobb, who is a centerfielder. Strunk never fights, middleweight. Strunk never fights, middleweight. Strunk never fights, middleweight.

There is the shoeless wonder, Joe Jackson, of whom the bug wots and wonders. Strunk has always worn shoes. And there is the Texas cowboy, Tris Speaker. Strunk is not a centerfielder. Strunk is not a centerfielder. Strunk is not a centerfielder.

Some attention has been called to Strunk (Amos) the last few weeks, first because he pointed out to Connie Mack that he is a centerfielder. Strunk is not a centerfielder. Strunk is not a centerfielder. Strunk is not a centerfielder.

Strunk in the field can go back for a fly just about as well as Speaker or George Burns, and can go in for a hopper along with Cobb or Les Magee. As for taking fly balls in left or right field, he has no equal. Cobb has starred in helping old Sam Crawford cover right field as well as his own ballfield, and Dode Fasker has starred ever since by reason of his Cravath's position part of the time. Neither of these, however, nor any other centerfielder, has had the task that Strunk is now carrying as going away with.

Had he covered his shoes and his shadow in left, and Thrasher in right—well, as aforesaid, Thrasher is a good hitter. Yet there are several outfields that the trio could not take in advancing. There are very few centerfielders Strunk (Amos) could not replace with credit.

300 for Six Years.

He has hit over or right at .300 in the half-dozen seasons he has been working for Mack, and has always gotten his share of the bags. Just now he is hitting in the clean-up position, and tearing off a goodly portion of one, two and three-ply.

The Athletics continue in the running, or very close after it, Mack's generalship and the fine new infield he has built up to get a whole lot of credit. Put down a bet, however, that if either of these things happens, the latter day Amos (Strunk)

Chicago, May 14.—After just three minutes of excitement in the wheat market today, the pit became as quiet as a funeral home. The drastic action of the directors of the board in flinging a suspension of transactions for even the closing out of old contracts made a sharp break in values all over, a certainty and the anxiety shown was chiefly in regard to how far the drop might extend. That question was quickly settled, for the extreme decline was soon reached, 12c as compared with Saturday's finish. Then the market rebounded to 75c and later became almost lifeless, the crowd streaming out of the wheat pit and jamming the sections reserved for dealings in corn and oats.

The committee fixed the settlement price of May corn at \$1.61 1/4 and May oats at 75 1/2c, the closing figures of Saturday.

Absence of buying grew so pronounced at mid-day that wheat prices collapsed for a time as swiftly as at the opening. At this stage July was off to \$2.52 and September to \$2.22, a fall of 23¢ and 14¢ under Saturday's close.

In the last hour prices showed a rally as a result of filling of scattered orders to purchase. The close was unsettled at 1¢ above Saturday's close, with July at \$2.53 and September at \$2.23.

## PLANT MORE CORN IS U. S. WARNING

Washington, D. C., May 14.—The most effective way to remedy the probable shortage in the wheat or corn to plant corn, says the United States department of agriculture.

produced in the United States in the  
three to four times the quantity

of the crop—from 5 to 10 per cent. This amount may be estimated in normal times at about 200,000,000 bushels a year. Not over 5 per cent has been exported in peace times. A relative slight increase in the corn acreage, therefore, will place many millions of bushels more of human food at the disposal of the world without interfering in any way with the food needed for the support of live stock.

In the past, with an abundance

sump. With other grains  
longer abundant, circumstances v

compel more general recognition of the value of corn as human food. The department is urging strongly wider use of corn in the diet. It is the best substitute for wheat that we have and can be utilized in breads, mushes and a variety of other ways. We should make every effort to avail ourselves of it.

"Plant corn," then should be the motto of every farmer in a section suited to the crop.

Three cheers for the Red, White and Blue, meaning the beautiful and Stripes—that is if you can get the red, white and the blue in the form of a flag. Three cheers are given for the price of the flag, for the size ordinarily used above for buildings and upon the average staff is advancing with leaps and bounds, there will be some who will demand.

It is said that the larger flags, those reaching 40 feet in length, are to be had, but that the others are practically exhausted. Realizing that this was true, the enterprising firm, Wade, Leitz & Gromater, jumped to the breach and put a group of flags on the market. The flags are now flying about the city, and the output of this firm, indeed, they have even gone so far as to take the "star" portion of flags which have grown rather worse for wear, and months of outdoor service and to the flag have replaced new stripes.

The Aurora Country club Saturday flung to the breeze its new flag. A flag staff had been ordered through N. Strohn, chairman, a steel flag staff of latest construction, and the club again the supply and demand proposition came to the fore. Mr. Strohn was acting for the voluntary committee from the club, found that a steel staff would cost in the neighborhood of a hundred dollars. The local gas company gallantly rose to the occasion and turned out a flag class staff for a comparatively small sum, and upon this the first flag, donated by Earl F. Schoberlein, floated.

**Patriotic Week.**  
Aurora merchants must most certainly be rallying around the flag, in the display of which mention was recently made in the Beacon-News, for today the innocent woman bystander noticed red, white and blue visitor caps (which they say are really to be worn), long shirts (white ground with red and blue rings) and flags. Uncle Sam's brown and white stripes, while the were quantities of dolls attired in red, white and blue, with quantities of gay tissue papers to be used for various purposes. Doubtless there are other displays but this was all that was permitted.

In this same Wade, Leitz & Gromater window, from which emanated the flags, there is a deadly looking machine gun, and (most interesting of all) about this gun were any number of Aurora residents, manifestly of foreign descent—Hungarians, Poles, etc. The gun was supposed to be tested at 2 o'clock this afternoon, and as it points directly at the plate glass window, probably Mr. Wade and Mr. Leitz and Mr. Gromater care little about the price of glass.

**Speaking of Dolls.**  
These little brightly dressed dolls brought up an interesting point of fact that for two years it has been as has been stated before, impossible to get any German made dolls, and Uncle Sam hasn't as yet jumped enough to make the open and shut eye kind the doll with truly eyelashes. "There would be a fortune for the man who would win up one of the blague doll factories," said a doll salesman today. It is said that Uncle Sam has taken a little flitter into the manufacture of dolls and has sent out a doll that has the first output in a grade of excellence. One doll in an Aurora window bears a legend "Genuine Horman." "Whadda ya mean, Horman?" asked. "No one in the shop says Where did this Mr. Horman live? in Elgin or the Rhine, or in this country?"

**Meeting to Form Red Cross Chapter.**  
Every one interested in the organization of an Aurora chapter of the American Red cross should be at hand this evening in the parlors of the Y. M. C. A. Practically every one who is of any age also has his chapter, for the purpose of organizing the work which the people of the community are so ready to do. Elgin has a flourishing chapter with a large number of members. Chicago, as everybody knows, has been engineering a wonderful campaign for membership—letters have been received in Aurora asking people of this city to join the Chicago body. This evening the first step will be taken.

**The Navy League.**  
Miss Helen O'Meara was the first woman to join the Aurora branch of the Navy League which was recently formed in Aurora, and the first woman to join the Chicago body.

#### Why Rheumatism Comes With Cold Weather

(By Valentine Mott Pierce, M. D.)  
A close connection exists between these two—cold weather and rheumatism. Prof. Alex. Hail, of London, has the most following in the medical profession in the belief that the presence in the system of uric acid or its salts in excess, is the real cause of rheumatism. Every Aurora resident who is afflicted with this disease, should be aware of the difference in the appearance of their water as soon as it is cold. There is often a copious sediment of uric acid in the water. Several causes may lead up to accumulation of uric acid in the system, which, in turn, cause rheumatism, or gout, or crampy joints. One reason the skin does not throw off the uric acid, by profuse sweating, as in the hot weather, and the kidneys are unable to take care of the double burden. Another reason is that people do not drink as much water in cold weather as in summer, which helps to flush the kidneys. Again, they eat more meat in cold weather, and some people are so susceptible that they get rheumatism after eating meat.

At all such times persons should drink copiously of hot water, say a pint every hour, and at night, and four times a day. This Auric (double strength) three times a day. This Auric comes in tablet form and can be held at almost any drug store. It dissolves the uric acid in the system and carries it outward. I would advise everyone to take Auric occasionally, and continue for three or four weeks, and in that way avoid the painful disorders due to uric acid in the system.

Make yourself healthy and strong by open-air exercise and diet. This cleanses the liver by occasionally stimulating it with a small quantity of laxative composed of the Maltapple, dried pulp of aloe, and root of sassafras, sugar-coated and long sold all druggists as Dr. Pierce's Pleasant Laxative.

which headquarters will be opened in the near future. A noon luncheon will be given tomorrow at the Elgin club rooms for the men of the club and others interested. It should be remembered that both these undertakings are most worthy, but are quite distinct—just as the Navy League and the Red cross are quite distinct all over the country, and both are of immense value.

#### Entertainment for Benefit of Red Cross

Rehearsals are said to be coming on remarkably well for the Lady Minister show to be given at the Fox theater Wednesday, Thursday and Friday of this week. Among those who will take part in the olio it is announced by Director McClave, is Dorothy Berman. Dorothy will sing. It will be the debut of a very young girl in the entertainment for the benefit of the City hospital in 1913, and was also given the prize by the Aurora Daily News for her work in amateur performance, while she has appeared on various other occasions, doing very good work. Her little cousin, Charlotte Reuben, a Joliet, a prominent dancer, will also appear. Charlotte has been studying with some of the leading dancing teachers in Chicago.

The features are all coming on well, while the chorus work is said to be excellent. The costume scheme as outlined, should give the stage one of the best effects possible. Best of all, the money will go toward the Red Cross which is supreme in the minds of the people today.

**City Missionary Union.**  
Joseph Vitulis, who has been directing the work among the foreign speaking people the past winter, in connection with the work of the City Missionary Union, will address the meeting of the union Tuesday afternoon at 8 o'clock at Park church. The clergyman of the city and all those interested, are asked to be present.

**T. A. Club.**  
A meeting of the T. A. club was held Thursday at the home of Mrs. George Brown in West Park avenue. Card scores were made by Mrs. William T. and Mrs. Brown. Lunch was served. The next meeting will be held with Mrs. W. Dorr in Seminary avenue.

**Has Home Party.**  
Mrs. Alfred Wernicke entertained a number of young musical friends and out of town over Sunday, including Mrs. Ruth Breyer, pianist, Miss Ruth Robinson, the violinist, Miss Ruth Robinson, the wood and Miss Theodore Troschke of Chicago, pupils of Fannie Bloomfield-Zeisler.

**To Speak Next Saturday.**  
Mrs. Judith Loethen, second president of the Illinois Equal Suffrage Association, will speak before the home and education department of the Women's club next Saturday at the home of Mrs. T. J. Merrill.

**It Is Thursday.**  
The May party to be given by the Mystic Workers in Charlemagne hall will be Thursday and not Tuesday as the reporter felt just as badly about it as any one and for a time contemplated cleaning out the shop.

**House and Garden Club.**  
The meeting of the House and Garden club has been postponed one week, as Mrs. Charles H. Talbot, president of the Eleventh district of the Federated Women's club, cannot be in attendance this week.

**Got Out a Lead?**  
Miss Cody, principal of the Oak Park school, wishes to state that she greatly desires more vacant land up in her neck of the woods for the use of her pupils. Any one having lots in that part of town will be doing much for their country by letting her know about them. By the way, she says she will be about the plowing and dragging—all she wants is the land. By the way, too, the school this morning occupied its new portable school house.

**Country Club Party.**  
The Country Club May party May 11 seems to be a party in the right place; at least any number of the members have been heard from as wanting to go. It should be nice, for there will be good music while the club is so invariably attractive. It is understood that this is to be the sort of comfortable party where women may go wearing the party gowns which have already graced other occasions—at least even those who have oodles of clothes seem not to be planning to buy new gowns, and lack of new clothes should be no excuse for remaining at home. There will be a luncheon it was understood this morning, with the sandwiches, coffee, etc., which are liked by dancers. It was also understood this morning that it is planned to have at least one dancing party each week during the summer. Almost every body who isn't somewhere in France will be out there this summer anyway, and dancing will be a pleasant diversion.

**Bridge Its.**  
Mrs. John Dooling will entertain the Bridge Its Thursday of this week.

**Entertained Saturday.**  
Mr. and Mrs. Earl Gray entertained a number of friends Saturday evening at their pretty new home in Iowa avenue. Five hundred was played. Among the out-of-town guests were Miss Esther Hirsch and Clarence Child of Chicago. Miss Hirsch is the daughter of Mr. and Mrs. "Bo" Hirsch formerly of Aurora.

**It Was a Birthday Cake.**  
The handsome pyramid cake purchased by Mr. and Mrs. Joy Love at the sale for the benefit of the City hospital, was presented to the Juvenile Detention home, and yesterday afternoon the shade of the cake was Godard, forward the shade of the candles upon this cake and held a little celebration in honor of the birthdays of five of the children in the home. The cake was five layers high which made it just right.

**Pageant of Progress.**  
The Epworth league of the First Methodist church gave "The Pageant of Progress" last evening at the evening service in celebration of the twenty-eighth anniversary of the league. Melvin Hill gave a talk on the work which the society will endeavor to accomplish in the next two years. The Rev. C. J. Brady took the part of the Methodist Episcopal

church giving the authority to do the work. Miss Helen Matter represented "The Spirit of Youth," and Miss Ruth Hoffman, "The Epworth League." Others who took part were the four vice presidents, Miss Ellen Wires, Miss Berne Reynolds, Miss Hosen, Miss Ruth Ehlhoff, and Miss Esther Lowe, secretary and Alfred Watson, treasurer. Mrs. C. J. Brady's junior league department represented the 28 years since the organization.

**Business Girls' Bible Class.**  
Mrs. E. H. Montgomery's Business Girls' Bible class met yesterday afternoon for the closing meeting of the season. Mrs. Montgomery giving a review of the book of Genesis which the class has been studying this year.

At the close of the class, Miss Marie Dowling in honor of the members presented Mrs. Montgomery a sweater and Miss Florence Henry, the president, a cut glass dish.

**For Mrs. Blevins.**  
The first annual banquet of the Illinois department of the Daughters of Veterans in honor of the department president Mr. Frank Blevins, of Aurora, will be held at the Great Northern hotel, Chicago, Saturday evening.

## Obituary

**Charles M. Lowe.**  
Charles M. Lowe, a former resident of Aurora, who moved to Detroit, Mich., about a year ago, died at the home of his daughter, Mrs. H. A. McArthur in that city Saturday night at 7:30 o'clock.

Deceased leaves four grandchildren, two of whom, Charles Lowe and Berne Lowe, live in Aurora. The funeral will be held tomorrow afternoon at 2 o'clock from the Spring Lake chapel. Interment will be in Spring Lake cemetery.

**John Hallmeier.**  
John Hallmeier, 27 years old, died at his home 18 Lucky street, at noon yesterday of a complication of diseases.

He leaves a wife, two children, one sister, Mrs. Otto Homer, in Aurora, and one brother and three sisters in Germany.

The funeral will be held from the home Tuesday morning at 9 o'clock and at 2 o'clock from Our Lady of Good Counsel church. Interment will be in Mt. Olivet cemetery.

**Fred Melnar.**  
Fred Melnar, age 71 years, died at his home, 401 Iowa avenue, Sunday afternoon at 4 o'clock. Deceased was born in Germany, Oct. 27, 1845. After coming to Aurora he went to work in the Western Wheel Scraper works where he has been employed for the last 15 years. He is survived by a wife and one son. The funeral notice will be given later.

**Loess His Auto.**—John C. Naperman, of West Union, asked the Aurora police this morning to watch for his Ford automobile, stolen from the street there last night. The police believe the machine was stolen by the same band of automobile thieves who have been operating here for the past two months.

**Police Patrol Wagon Repaired.**—The Aurora police patrol, which has been out of commission since last Friday, will be back in service tomorrow. The front axle was broken on a run to the east of the city Friday night and it was necessary to purchase a new one. In the meantime drivers have been riding to jail in style in the Cadillac touring car of the department.

**Loyal Life Dance Party.**—The first annual dance of the Loyal American Life association will be held in Yeomen hall tomorrow evening. Committee in charge have planned a number of new and novel features. In addition to the dance there will be a card party. Dancing will start at 8 o'clock.

Mr. and Mrs. Jay Goskill of Joliet spent Sunday with Mr. and Mrs. Gus Auguet in North Lake street.

## News in Brief

**Many Week-end Arrests.**—The police were kept busy Saturday night and yesterday, a total of 17 arrests having been made over the week-end. The jail was so crowded this morning that it was necessary to release several prisoners who had their time almost served. Most of their arrests were plain drunks.

**Real Estate.**—At Bishop Cafe, meals 30 cents.

**Mexican Fined.**—John Caron, a Mexican, was arrested this morning on complaint of Max Rosengarden, a North Broadway merchant. The latter charged that Caron took a pair of trousers out of his store, but failed to appear against him. Caron was fined \$3 and costs for being intoxicated. He claimed that he was wrongfully accused of the theft.

**Pair Arrested and Freed.**—George Salasbury and Mrs. Isabelle Thompson were arrested at the home of Robert Woods in North Broadway yesterday. They were held in the city jail for two hours and then released. Chief McCarthy said that he released the couple after they told him they were going to get married. Neither was intoxicated.

**Asylum Patient at Large.**—Nicholas Weistroffer, 28 years old of Aurora, escaped from the State Hospital for the Insane at Elgin last Saturday. The house he was in had been notified by authorities to watch for him. The police here are also looking for Weistroffer. He has been in the asylum about six months.

**"Q." Team to Play Freeholders.**—Officials and clerks of the Burlington offices in Aurora and officials and members of the First Presbyterian church team will play their third game of indoor baseball Tuesday night in the gymnasium of the church. The game will start at 8 o'clock. Each team has won and lost one game and this game will be contested strongly.

**Continue Assault Case.**—The case of assault and battery against Jacob Hendricks, started by N. J. Altringer, late home to be tried before Justice Cortes Dutton Tuesday afternoon, was continued until Wednesday afternoon. Altringer, it is said, went out looking for the former constable. He found Hendricks at his office and a short time later returned to Dutton's court with three teeth in his hand which he said were knocked out by Hendricks. It was then that Altringer started the suit, charging Hendricks with assault and battery.

**All-American Night.**—All-American night will be celebrated this evening by the Aurora council of Knights of Columbus in club rooms in Main street. A program appropriate for the occasion will be given. This will be the third of a series of these parties. The first was a German night and then followed an Irish night. Women are invited to the party this evening.

Don't hurt a bit! Cincinnati man discovers drug that works wonders—No humbug! Never let a corn ache twice.

Your high heels have put corns on your toes and calluses on your feet, but why care now? This tiny bottle holds an almost magic fluid. A genius in Cincinnati discovered this ether compound and named it freeseone. Small bottles of freeseone like here shown can be had at any drug store for a few cents. Never limp or twist your face in pain again, but get a bottle of freeseone, and apply a few drops on your tender, aching corns or calluses. Instantly the pain is a round, wood case.

**Search for Missing Girl.**—The Aurora police bloodhounds owned by Harry Presbrey, now city marshal at Rock Falls, were used at Dixon Saturday in an effort to locate Miss Bertha Hasselman, pretty 18-year-old farm girl who disappeared Friday night after a quarrel with her fiancé, Clifford Seybert, son of a wealthy farmer. She is believed dead.

**Medical Aid for Soldiers.**—The Illinois Medical society, in session at Bloomington last week, voted that its members keep separate accounts of fees earned by treating patients of physicians who have gone to the battle front, and deliver half the fees to the physicians to whose practice the patients belong.

**Hazing West Side Landmark.**—The old Vierschilling homestead at 43 South Lake street, one of the landmarks on the west side, is being torn down and the site will be used as a lawn for the home of Mrs. W. E. Brooks. The house was built in 1833 by J. J. Vierschilling and had been the home of the family continuously until one year ago when a daughter, Ada J. Michel, passed away. Mrs. Brooks, a younger daughter, was born in the house and has been living next door.

**Continued Assault Case.**—The case of assault and battery against Jacob Hendricks, started by N. J. Altringer, late home to be tried before Justice Cortes Dutton Tuesday afternoon, was continued until Wednesday afternoon. Altringer, it is said, went out looking for the former constable. He found Hendricks at his office and a short time later returned to Dutton's court with three teeth in his hand which he said were knocked out by Hendricks. It was then that Altringer started the suit, charging Hendricks with assault and battery.

**All-American Night.**—All-American night will be celebrated this evening by the Aurora council of Knights of Columbus in club rooms in Main street. A program appropriate for the occasion will be given. This will be the third of a series of these parties. The first was a German night and then followed an Irish night. Women are invited to the party this evening.

## MOTHERHOOD

Brides of 35, 38 and even 40 are becoming more numerous year by year. Late or postponed marriage is a serious handicap to motherhood because of changes in the birth canal. But the period may be passed in safety if proper care and attention is rendered. "Mother's Friend," which is applied by the mother-to-be herself, relieves the strain always experienced when the abdomen expands. "Mother's Friend" has a softening, penetrating effect. The breasts are kept in good condition. Obtain a bottle from your druggist today and begin its use immediately. A valuable book for expectant mothers will be sent free. Send name and address to Bradfield Regulator Company, Dept. J, 258 Atlanta, Ga.

## Resinol clears away pimples

No one knows the humiliation of being a "wall flower" better than the girl with a red, rough, pimply complexion. If your skin is not fresh and smooth, or has suffered from an unwise use of cosmetics, try Resinol Soap and Resinol Ointment for a week and see if they don't begin to make a blessed difference. They also help to make hands and arms soft and white, and to keep the hair live, glossy and free from dandruff. All druggists sell Resinol Ointment and Resinol Soap. For a free sample of each, write to Dept. 11-N, Resinol, Baltimore, Md. You'd better try them!

Appreciations from dentists who have personally proven Senreco. Names on request.

I am using Senreco myself. Gums have improved wonderfully. Birmingham, Alabama, Mar. 23, 1917.

I find Senreco a great help in my work. Rochester, N. Y., Feb. 7, 1917.

I find twelve months' personal use and from my observation of results obtained from the use of Senreco that soft, spongy gums which fail to respond to other treatments have at once shown marked improvement. Chicago, Ill., Mar. 10, 1917.

Senreco actually improves the condition of the gums by reducing inflammation. I highly recommend it. Philadelphia, Pa., Jan. 22, 1917.

I find Senreco very beneficial. Columbus, Ohio, Oct. 25, 1916.

I am using your excellent tooth paste in my home and the other members of my family have given up their old-time favorites for Senreco. Chicago, Ill., April 7, 1917.

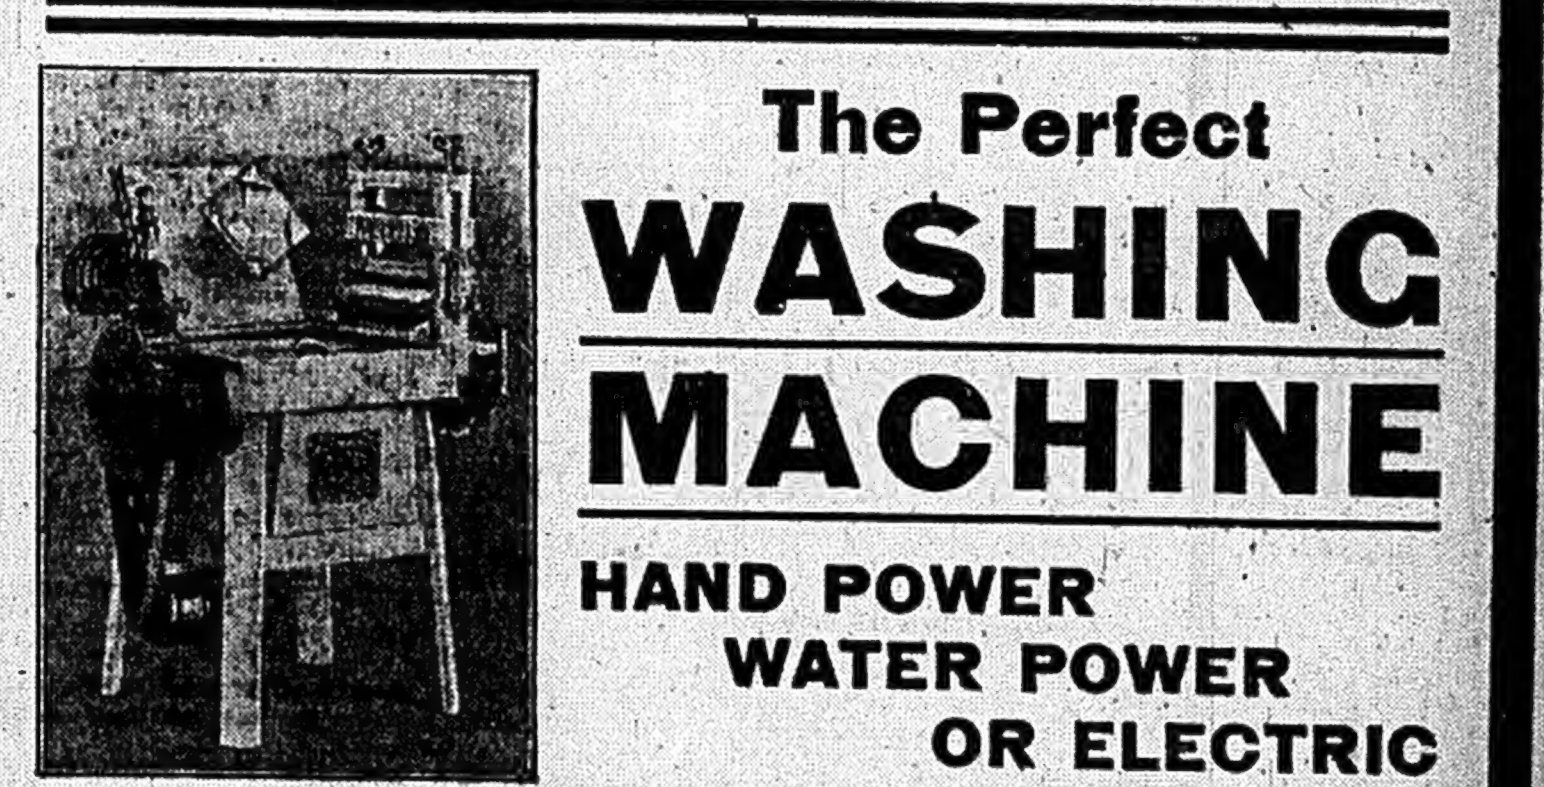

Am well pleased with Senreco—see are my patients. Buffalo, N. Y., Oct. 18, 1916.

Senreco is the best tooth paste in use this day. New York City, Mar. 27, 1917.

Try this remarkable dentifice yourself. Get a tube of Senreco at your druggist's or toilet counter today. Costs only 25c for large 2 oz. tube.

Senator Hopkins to Deliver  
the Address.

Batavia, Ill., May 14.—The second  
patriotic program under the auspices  
of the Batavia Military Aid associa-  
tion, to be held this evening at 7:45  
o'clock at the high school is as fol-  
lows:

Musical concert—By the Batavia  
Concert band for 10 minutes.

Prayer—Dr. John D. Leek.

High school chorus—Director E.  
Schneider.

Patriotic moving pictures and re-  
marks by Prof. H. C. Starn.

Stereoscopic views of American  
patriotism.

"The Uniformed Cadets and Scouts"  
Remarks by B. J. Cigrand.

Audience singing "America"—L. B.  
Reeder, leader.

Address: "The Meaning of the War"  
—Ex-United States Senator A. J. Hop-  
kins.

Song: "Star Spangled Banner"—Di-  
rector, Mr. Reeder.

Closing prayer—Canon H. G. Moore.

The mayor, aldermen, school board,  
library board and federal officers as  
well as all members of the executive  
committee, will act as a reception  
committee and will sit on the plat-  
form. The cadets and scouts will be  
guests of honor.

Short Council Session.

On account of the patriotic demon-  
stration at the high school this evening  
the meeting of the city council will  
be brief. The new city officials  
will take the oath of office and little  
other business will be transacted.

The members of the executive  
committee and wish to aid in making  
the affair at the high school a suc-  
cess.

Police Warn Boys.

Chief of Police Monahan warns all  
boys must stop playing baseball in  
the streets and must stop chasing  
across gardens to get foul balls or  
arrests will be made.

Cigrand Writes Wilson.

Dr. B. J. Cigrand, president of the  
American Flag Day association, has  
announced today that he has asked  
President Wilson to proclaim June  
14 as Flag day. Dr. Cigrand also of-  
fers for the best poem, the best  
speech and the best song of the flag,  
prizes to be awarded at the thirteenth  
annual convention of the American  
Flag Day association, which will be  
held in the Chicago public library,  
May 22. Dr. Cigrand said that the  
contest would close Sunday, May 20,  
and the winning verses will be  
printed on the programs of the  
meeting of the association.

Organizing Navy League.

Mrs. C. H. Barnes is leading in the  
work of organizing of a Navy league  
which is to do practically the same  
work for the marines that the Red  
Cross society is doing for the soldiers.  
Mrs. Barnes has been in touch with  
the league workers in Chicago and  
advised that bandages be rolled, kits  
be filled and most imperative of all  
at this time that knitted sweaters,  
mitts and mufflers be provided. The  
work of these women is now being  
planned and as soon as Mrs. Barnes  
and others who have signified their  
intentions of helping can arrange,  
the public will be urged to lend a  
helping hand.

At the present time the battleship  
Illinois is about ready to enter ser-  
vice. It is a very poorly equipped  
with sweaters, mittens and mufflers  
for the marines. Everyone willing to  
work for the boys on board that ship  
please write to Mr. Charles B. Brown  
at Lake Forest, who is soliciting kit-  
ting.

Girl Hurt at Picnic.

Miss Josephine Sykora is suffering  
a fractured collar bone as the result  
of a fall Saturday at Glen Cove. The  
incident occurred when the young  
people returned to Batavia and  
went to the Emma home where they  
passed an hour dancing. The next  
meeting of the Unity club will be  
held at the home of Miss Mildred Ben-  
sen in McKee street some time early  
in June.

Senior Class Program.

At the senior entertainment Friday  
evening the members of the class  
realized a good sum which will be  
used towards the graduation expenses.  
The initial appearance of the new  
moving picture machine was enjoyed  
and the films of "Just Out of Col-  
lege" and "Protecting Old Glory" were  
very interesting.

Social and Personal.

There will be a regular meeting of  
the Pythian Sisters this evening at  
the Knights of Pythias hall.

The Batavia Concert band will play  
this evening at the patriotic meeting  
at the high school auditorium. The  
band is asked to meet promptly at  
7:30 o'clock.

Max Alexander, who left several  
months ago to work in the office of  
the Alexander Lumber company in  
Aurora, has gone to work on his  
uncle's farm west of Aurora on the  
Galena road.

John McBrean has returned from  
an extended eastern trip.

Mrs. David Anderson of South Ba-  
tavia avenue visited her parents, Mr.  
and Mrs. August Anderson, at De-  
Kalb over the week-end.

Marion Wright of North Washing-  
ton street, who has been ill with  
diphtheria, is slightly improved today.

ADD SOCIAL AND P—

Mrs. Elizabeth Dier of the Gullite  
is visiting in Batavia here from  
the south. She is to rehearse for a  
concert tour of 11 weeks. The trio  
will start June 15 and will visit the  
prominent cities of West Virginia,  
Pennsylvania, Ohio, Indiana and  
Michigan.

A social will be given at Odd Fel-  
lows hall Wednesday afternoon by  
the women of Mistislole lodge. Every-  
one is cordially invited to come and  
bring sewing.

Elroy Cigrand of Northwestern  
school sustained two stu-

dents of that school at his home  
today. They were D. Cockron and  
F. Kroner of Chicago.

Miss Delbert Abbot is home  
from the University of Chicago after  
the week end.

Mr. and Mrs. Harry Kline are the  
parents of a baby girl.

Mrs. Roy Groves of Chicago  
has returned to her home after visit-  
ing her mother, Mrs. Henry Johnson,  
in Houston street.

Mrs. Daniel Morter is entertaining  
her mother from Iowa.

Arthur Larson and Martin Johnson  
motored to Crystal Lake yesterday  
and spent the day with relatives.

The Eastern Star chapter will give  
a school of instruction tomorrow  
night at 7:30 o'clock in the Masonic  
hall. Visiting members are invited.

There will be a rummage sale of  
clothing and other articles at the  
vary guild house Friday and Satur-  
day of this week. This sale is under  
the auspices of the Calvary church  
guild.

NEW GENEVA MAYOR  
SHAKES UP POLICE

Announces Will Name Harry  
Nelson, Brother of Jailer,  
City Marshal This Evening

Will Also Appoint New Street  
Intendant, City Plant Head  
and Night Patrolman.

Geneva, Ill., May 14.—Harry Nelson  
will be appointed city marshal to-  
night when the city council will  
meet. The council will be asked to  
confirm the appointment at once.

Mr. Nelson, while without expe-  
rience is believed to possess a  
sense of judgment that will give him  
the ability to learn quickly and  
enable him to give good service as  
head of the police department, he  
said today by city officials.

Harry Nelson is a brother of the  
sheriff and county jailer, Charles  
Nelson, who at one time served as  
marshal of Geneva and made a  
valuable aid and advice in police  
duties from his brother. It is said.

The appointment of Nelson will  
be made, enable a working agree-  
ment to be made with Sheriff Robert  
Richardson and his deputies, of  
Geneva can get the assistance of the  
sheriff's office, thus giving more ef-  
fective police protection.

Mayor Nelson said today that he  
will also announce the appointment  
of a superintendent of streets, su-  
perintendent of the water and plant  
and a night patrolman.

Little Girl Dies on Birthday.

Arline Nordquist, six years old,  
died yesterday on her birthday.

Miss Nordquist died at her  
323 East State street, after an illness  
of two weeks of pneumonia. She  
survived by her father, Carl, and  
quiet, and two brothers. Mrs. No-  
quist died a year ago.

The funeral will be held Tuesday  
afternoon at 2:30 o'clock with burial  
from the late home of the Rev. W. B.  
E. church, will conduct the ser-  
vice. Interment will be in the Oak  
Hill cemetery.

Gunnar Herxog.

The funeral of the late Gunnar  
Herxog, who died a week ago, will  
be held next Sunday afternoon at  
2:30 o'clock and will be in charge of  
the Geneva Vikings. The body is  
being held in the John Skogstad  
undertaking parlors. The delay in  
holding the funeral was caused by  
a word from the brother of Mr.  
Herxog who were believed to be at  
Galesburg, N. D. Word has been  
received from one of the brothers  
who announced that he cannot come  
for the funeral. The burial will be  
in the Oak Hill cemetery.

Funeral of Miss Blad.

The funeral of Miss Marie Blad,  
35 years old, injured in an auto-  
mobile accident near the Geneva  
school nearly two years ago, will be  
held in the home of the George W. B.  
in Chicago, from the George W. B.  
chapel, 2212 West Madison street, and  
then from St. Patrick's Catholic  
church where mass was celebrated.  
The interment was in the Mt. Carmel  
cemetery. Surviving are her  
mother, Mrs. Mary Blad, brother,  
John and Patrick, and sisters,  
Margaret, Elizabeth, Julia and  
D. Blad. The latter resides at  
Woodlawn avenue, Aurora.)

## ST. CHARLES HOUSE FATHER STRICKEN

Calvin A. Wiley, One of Veteran  
Officials of State School Is  
Victim of Apoplexy.

Had Comes Last Evening After Few  
Hours' Illness—Was Born  
in New York State.

St. Charles, Ill., May 14.—Calvin  
Andrew Wiley, 54 years old, a veter-  
an housefather at the St. Charles  
School for Boys since June 19, 1905.  
Four years after the great school was  
established and two years after the  
first work was begun on the col-  
lages, died suddenly last evening fol-  
lowing an illness of a few hours  
after being stricken with apoplexy.

Mr. Wiley saw the St. Charles  
school grow from a very small be-  
ginning to what is now recognized as  
the largest and most advanced school  
of the kind in the world. A few years  
ago Kaiser Wilhelm of Germany sent  
personal representatives to the school,  
to get ideas for like schools in Ger-  
many.

Mr. Wiley was born in New York  
state. He moved west and at the  
time he became affiliated with the  
state school was a resident of Chi-  
cago. Mrs. Wiley was also at the  
school as a housemother.

Mr. Wiley became ill Saturday  
evening. He was stricken with apop-  
lexy Sunday morning, dying later in  
the day. He was the first house-  
father to die on the grounds. Another  
housefather died in a hospital some  
time ago.

The funeral service will be held  
Tuesday morning at 9:30 o'clock at  
the state school and the St. Charles  
Masonic lodge will have charge of  
the service, with Rev. F. C. Neils,  
pastor of the Congregational church  
here. The body will be shipped to  
Chicago for burial in the Forest  
Home cemetery.

Masonic Attention.

All Masons of St. Charles are re-  
quested to meet in the Masonic hall,  
Tuesday evening at 8:30 o'clock to  
arrange to go to the state school to  
attend the funeral of our late brother,  
Calvin Andrew Wiley. The funeral  
will be held at 9:30 o'clock—Edward  
Dayey.

New School Board to Tonight.

The St. Charles school board will  
meet this evening at which time the  
newly elected members of the board  
will qualify for office. The new  
members are: President, E. J. Baker;  
board members, John Redmond and  
Charles Hunt. It was said today that  
no matters of importance would be  
considered this evening, as the presi-  
dent will not announce his commit-  
tees until he qualifies for office.

The meeting this evening will see  
the passing of two members of the  
board whose combined years of ser-  
vice total 48 years. E. T. Caswell,  
acting president, has served 18 years,  
and Mrs. Ellen Richmond, 30 years.

Open Fall Factory in June.

The Western Seamless all com-  
pany officials announced that they  
plan to start manufacturing their  
product in June. The St. Charles  
Commercial club has voted to have  
the race cleared of all debris. The  
cost will be about \$150.

Council Meets Tonight.

The city council will meet this  
evening. City officials said they  
know of no business of importance to  
be considered.

Dodgers Beat Belgians.

The St. Charles Dodgers defeated  
the Belgian-Athletics at baseball yester-
